

Tuba City Humane Society - Foster a Pet in Your Home

We rely on volunteers to foster rescued pets in their home, and help prepare them for adoption, while they also receive necessary veterinary care including vaccinations and spay/neuter surgery.

Tuba City Humane will:

- pay for all veterinary care
- provide supplies
- provide support
- respond quickly to any issues you encounter

You will:

- choose which animals to foster
- supply love and care
- help your foster pet learn how to live in a home
- house train a puppy using a crate
- prepare the animal for adoption
- write a bio and take photos and send to us for posting on Petfinder
- screen potential adopters and choose the best fit for your foster
- provide the potential adopter with an adoption application and let them know the adoption fee

We require:

- that you be 18 or older
- have access to a car
- live in a situation where you have permission to have pets

Providing foster care helps save lives!
