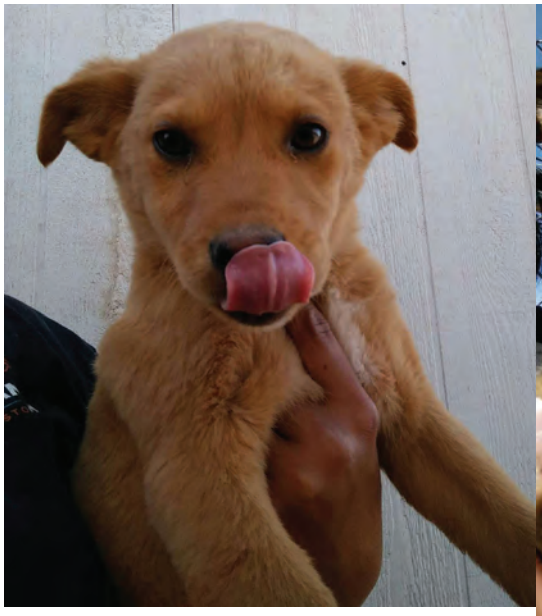
Volunteer to Foster a Cat or Dog in Your Home

In Flagstaff and Tuba City, looking for people who love animals and want to help save lives



We are an all-volunteer rescue and foster group helping animals in need on the western Navajo Nation, in Tuba City. We do not have a facility. We rely on volunteers to foster rescued pets in their home, and help prepare them for adoption, while they also receive necessary veterinary care including vaccinations and spay/neuter surgery. We pay for all veterinary care, and for supplies, and offer support and guidance throughout the foster experience. If you are interested, please go to our web site and fill out a foster volunteer form here: http://tubacityhumanesociety.org/how-you-can-help/
We really could use your help, and fostering literally allows us to save more lives.
We work with veterinarians in both Flagstaff and Tuba City.
